Roof Warranty for Workmanship

for [job number]

completed [completion date]

For the period of two years after completion of the roof at [customer address], ProActive Exteriors will warranty the workmanship of said roof and associated work done by ProActive Exteriors. In the occurrence of a leak, the homeowner must take appropriate steps to minimize interior damage until the time ProActive Exteriors can respond to the issue. Should exterior circumstances arise that exceed the specifications of the products installed, this warranty does not apply.

Please visit [manufacturer website (typically GAF or OC)] to register your selected product warranty with the manufacturer (for [number of squares and type of shingle]).

Thank you!
